

For TeleAssistance, Cerrotek offers devices capable to control vital parameters, the position and the condition of the guest, both in Structure and at home: iSensor and the Smartwatch.

In Residential Facilities

iSensor

Technology: MESH ; Nordic NRF52833

Power: ricaricabile, 3.7V 2600 mAh

Battery Life: min 1/max 5 years

Dimension: 5x1x2.5

Accuracy: 1 m

Sensors: temperature Ams P/N AS62221-AWLT-S
accelerometer ST P/N LSM6DS3TR-C

iGate

Technology: MESH; Nordic NRF52833

Power: rechargeable, 3.7V 2600 mAh

Battery Life: min 1/max 5 years

Dimension: 11.5x8x3
